USEFUL INFORMATION

- Please observe the site speed limit of 5mph. The farm is used by pedestrians, children, animals and farm machinery.
- We have free range animals roaming around the site. We ask that you do not feed them or put food out, as this encourages little critters and our greedy Cocker Spaniel! However if you see us feeding the animals, please come and join in! Please do not let children chase them.
- There are some lovely dog walks easily accessible from the farm. Please see maps on our notice board. Dogs must be kept on a lead at all times and cleaned up after using the bins provided. £20 fine for not cleaning up after your dog!
- No BBQs that burn the grass. There are blocks in the BBQ hut to use, please ask us
- We like to be as green as possible and ask that you use the recycling areas provided. Rather than throw away camping gear, food etc. please leave for others to use in the outdoor kitchen area.
- Although the farm is mostly used for the campsite, we still have farm machinery on site particularly around harvest time. **PARENTS ARE REMINDED THAT CHILDREN REMAIN THEIR RESPONSIBILITY AND SHOULD BE SUPERVISED AT ALL TIMES.**
- Visitors - please ask any visitors to make themselves known at reception when arriving on site. We charge £5.00/per person per day.
- Ball games to be played in the green space only and not around caravans.
- Reception open weekdays and weekends when busy
8:45am — 9:30am | 4:30pm — 5:30pm
During low season if reception is not open, please knock on farmhouse door.
- Please respect other campers by keeping noise levels to a minimum. We are a quiet site and appreciate your cooperation. **NO NOISE AFTER 10.30PM. THANK YOU.**

New arrivals from 2pm please.

Check out 10.30am prompt.
